Very exciting times here at Mohawk Media.

Added to the recent launch of [ECO COMICS](#), we are conversing with not one, but two, literal comic book art legends.

The art from legend #1 is now beginning to come in, and looks stunning.

We're still in the deep discussion stage with legend #2, so there's a little way to go yet. But you know they don't get much bigger when they're also working with "The Man" himself! 'Nuff said!
