

Trimpe does some Tough talking

Jazma Online talks to art legend **Herb Trimpe** - including about his work on Mohawk Media's new graphic novel, **TOUGH GUY!**

Herb is known for his work on the Hulk, arguably defining the public image of the character more than any artist. It was during this run that Wolverine made his first ever appearance. Herb's time at Marvel saw him illustrate the writings of Stan Lee, and with writer Chris Claremont, Trimpe created Captain Britain.
